

## Year 5 Homework: March-April (let's hope no longer!)

Choose any piece of homework to complete during your time away from school. Be as creative, imaginative and most importantly resourceful!

|  |   |
|--|---|
| <p>Our new topic will be “Endangered.” Can you research and compile a list of living things which are classed as endangered on our planet today.</p> | <p>Draw a graph to show how many of the most endangered animals are alive today.</p>  |
| <p>Explain who you think has a stronger argument for the reasons for Climate change?</p> <p><b>Greta Thunberg or Donald Trump</b></p>                | <p>Draw a map of the world. Plot on your map the animals which are most endangered to those parts.</p>                                  |
| <p>Refresh your prior knowledge and label parts of a flower. You can draw a diagram or dissect and label parts of a real flower!</p>                 | <p>Select an animal for your choice and describe its lifecycle, its habitat and its behaviours.<br/>(You could even choose humans!)</p> |

Our Artist for this term is Henri Rousseau. Create a fact file about him and short biography of his life.

Re-create one of Henri Rousseau's masterpieces. Use whatever materials you like!
